Type and slash through Evil Letters to save the world!

# STAR RUNE Contest!

2 -4 pm  
June 30 & July 29

Star Rune is a high action typing game, which is fun for all ages & skill levels and teaches a little Chemistry along the way. The full game is still in development, and we're looking for help with playtesting! We're happy to partner with The Ontario Community Library this summer to host the Star Rune \$200 Contest. You can start practicing now at <https://StarRune.net>

All ages are welcome to join!  
We hope to see you there!

## Here's how it works.

- The contest will be hosted on 2 separate days (you can attend one or both). Show up to the Ontario Community Library on June 30th between 2 - 4pm and/or July 29th between 2 - 4pm.
- Check in and play the game using a library computer or your own. *Three Custom Levels will be designed and loaded up just for this contest!*
- You can retry a level as many times as you'd like, in between the hours of 2pm and 4pm (*Library computers will be shared fairly amongst other participants*).
- When you've reached the end of a level, report to us and we'll verify & record your score. At 4pm, the person with the highest total score from the 3 levels wins.
- Prizes will be awarded on both June 30th and July 29th and will be available as cash.  
**1st place - \$50 , 2nd place - \$30, 3rd place - \$20**
- Each participant who finishes *all 3 custom levels* can create a sentence (max 100 characters) which will be added to a level in the full version of the game.
