Genre Project November & December 2022

The genre project is a fun monthly reading program designed to inspire readers to explore different literary genres. Step into a new world of reading fun, leaving your reading comfort zone to explore a whole new genre!

Each month, read a book from the current chosen genre. Tell the librarian at the checkout counter that you read the book and you will receive an exclusive badge celebrating the month's genre. Titles can be in book, audio and/or ebook formats.

November's theme is non-fiction. Which can be anything from cookbooks to history. The sky is the limit.

This December will be holiday books. Stop by the library today to join in the fun. Our Librarians will be happy to help you find books in each of the featured genres.
