***This Is How You Lose the Time War***

By Amal El-Mohtar and Max Gladstone

Award-winning authors, Amal El-Mohtar and Max Gladstone, come together to create an enthralling, romantic novel spanning time and space. *This Is How You Lose the Time War* is a 2019 science fiction epistolary novella. It won the BSFA Award for Best Shorter Fiction, the Nebula Award for Best Novella of 2019, and the 2020 Hugo Award for Best Novella.

Summary: Among the ashes of a dying world, an agent of the Commandant finds a letter. It reads: *Burn before reading*. Thus begins an unlikely correspondence between two rival agents hellbent on securing the best possible future for their warring factions. Now, what began as a taunt, a battlefield boast, grows into something more. Something epic. Something romantic. Something that could change the past and the future. Except the discovery of their bond would mean death for each of them. There's still a war going on, after all. And someone must win that war. That's how war works, right? (Information from Amazon and Goodreads)
